Welcome to the Great Children’s Novel Challenge!

Below are 200 books organized by the author’s last name. Your goal is to read 24 novels between 9/4/12 and 9/3/13. Twelve books must be from one of these two lists. You may listen to audiobooks.

Reviews must answer the following three questions, and do not need to be on library supplied paper:

- What was your favorite/least favorite part of this book?
- What was the conflict in the book?
- How was the conflict resolved?

Reviews should be at least eight full length sentences long.

Please be sure to include your full name and phone number on every review you submit.

All books reviewed must be novels, and must be at the participant’s reading level.

*The Lexile from lexile.com is listed in parentheses. A low Lexile score refers only to reading level, not to maturity level. Parents are cautioned that not all books are appropriate for all children, and are encouraged to look at reviews when choosing books. All books are located in the children’s fiction section unless otherwise specified.*
