

Getting the
Libby app
-by Overdrive labs

1. Download the app: meet.libbyapp.com
2. Open app, touch **HI**, & scroll down past the intro info.
3. Touch **FIND MY LIBRARY**
 - If it auto-finds a local library other than Appleton, touch **NO** & enter **54911** for the Library's zip code
4. Select **WI Public Library Consortium** as your Library.
5. To add your Library Card # and PIN, touch either **add it now** in the popup text **or Add Your Card** in the orange bar.
6. Add **Library Card** & **PIN**; scroll down & touch orange **SIGN IN** button.
7. Search for a title or author in the search box at the top.

Using the Libby app

-by Overdrive labs

- ❑ Click **LIBRARY** at the bottom-left of your screen to be able to search for titles.
- ❑ Click **SHELF** at the bottom-right of your screen to see what you have already downloaded and to read/listen to one of the titles.
- ❑ Options for finding titles: **start in the LIBRARY screen**
 - Touch **SEARCH THE CATALOG...** (at the top of the screen) & type a title or author. To obtain a title you want, tap **BORROW** or **PLACE A HOLD**.
 - Browse by topic:
 - Scroll down until you see a list of broad categories, or continue scrolling and click **EXPLORE COLLECTIONS** for a full subject list.
 - OR
 - Touch **SEARCH THE CATALOG** and click **MORE** to get additional search options.
 - Limit by **Availability**, **Language**, **Audience**, or change how titles are **Sorted** by clicking the **+** sign toward the top of the screen.
 - Open the hamburger menu (upper-right corner) to adjust settings.
